

# LITERAL AIR FRESHENER

## What You'll Need

- Cardboard
- Glue
- Scissors
- 12 - 18" of string or yarn
- Essential oil or your choice of scent

## Instructions

1. Glue the full page, decoration side up, onto the sheet of cardboard.
2. Cut out the trees along the dotted lines.
3. Spray the cardboard side of the trees thoroughly with scent and let it dry.
4. Fold the trees in half along the trunk.
5. Lightly glue the cardboard sides together.
6. Punch a hole at the top of the trees, marked with an X.
7. Thread the string or yarn through the hole to create a loop, and hang wherever you'd like!
8. Remember to put any remaining paper in your recycling bin!
